

Contractors

Koger Industrial Staffing takes pride in our commitment to our Contractors to provide the highest quality of skilled craftsmen available. Below is a summary of services offered to our Contractors/Clients.

Billing: We invoice weekly. Each invoice is detailed with information of hours worked, per diem (if applicable), rate of pay, location of job site.

Rates: We strive to provide competitive rates. The rates are determined individually for each jobsite and based on the number of employees; the workers compensation rates for the specific state; number of hours worked; plus the location and hourly wage.

Skilled Craftsmen: We strive to provide the best qualified skilled labor to our clients. Call us with your staffing needs, to discuss rates, and the number of staff needed.

Areas of Service: We provide skilled employees for commercial and industrial worksites. We provide these services nationwide. We also provide employees who are available to travel, with per diem, and/or expenses confirmed with our clients before billing.

90 day temporary to permanent hire, with no additional fee, is acceptable.

Direct placements can be supplied for either a flat rate or hourly fee, based on temporary to hire arrangements.

Our commitment is to provide and secure for you the best possible match for the project being completed. Please see our Services page to obtain information on the payroll process, workers compensation, and other services provided to both employee and client.

We also provide drug screening, background checks, and verification of the legitimacy of Social Security numbers. Additional charges may apply.

For more information on the contract process call our office toll free at 1-866-488-0557.
